

THE **BANK**  
BAR AND RESTAURANT

A wedding at The Bank on Collins is truly memorable for its location, the exquisite heritage building and the culinary experience.

This iconic Melbourne building was built in 1876 from New Zealand Oamaru stone with ornate metal balustrades. Originally home to The Bank of Australasia the site is now heritage listed with the Australian Heritage Commission and the National Trust of Australia. It is one of the few surviving buildings that was not lost to the wrecker's ball during Collins Street's redevelopment during the 50's and up until 1974 it was a bank. Now, the upstairs of the building is home to the Treasury on Collins accommodation facilities.

Right in the heart of Melbourne's city centre, The Bank on Collins provides a setting that is unmatched in history, grandeur and ambience. With its elaborate heritage detailing, The Bank on Collins is the ideal venue for your wedding.
